

The VP-50, VP-100 & VP-200 series comes with pre-manufactured interconnect cables available in 6 ft and 10 ft lengths. If you want interconnect cables of different lengths, you can make them using the diagrams below. Cables should be manufactured using tefzel wire and gold plated machined pins.

For:
Control Unit to Display Unit VP-200
Control Unit to Switch Panel VP-200
Control Unit to VP-100 Switch Panel
Control Unit to VP-50 Switch Panel

For:
Control Unit to Control Unit
(VP-200 Duo only)
